PROFESSIONAL ENGINEERING SERVICES--AIRPORT REQUEST FOR PROPOSALS RFP# 19-02

The City of Deming is soliciting proposals for qualification and experience information to be used in selecting principal consultants to provide planning and/or engineering services during the next four years for the following potential projects at the Deming Municipal Airport.

Copies of the Request for Proposals with submittal instructions and ranking criteria can be obtained in person at the John Strand Municipal Building located at 309 S. Gold or will be transmitted upon written or telephone request to Mary Mackey at (575)546-8848 or mmackey@cityofdeming.org.

Proposals will be evaluated and ranked by City employees and given to the City Council for selection. The City will negotiate a contract and fee schedule with selected firms. Four(4) copies, limited to 25 pages, shall be submitted by 2:00 P.M. Thursday, November 29, 2018. The outside envelope shall be plainly marked in the bottom left hand corner "**Airport RFP #19-02**".
