

On May 12th, 2019, the City of Deming opened its arms to hundreds of asylum seekers who were dropped off by Border Patrol at the McDonald's parking lot. The City of Deming along with local nonprofits, churches, Luna County and community members worked together to provide shelter, food and basic human needs. In a town with a population of 14,000, we have helped over 7,000 asylum seekers reunify with their families and sponsors throughout the USA. We may be a small town, but we have big hearts. Please help us continue to provide humanitarian aid by pledging a monthly donation to either the City of Deming, or Colores United.

Colores United is a Deming based organization (501c3 status pending) accepting donations for the Deming Migrant Shelter. Colores United supports community driven projects in our town.
