# Consumer Responsibilities

- Payments are to be made on a monthly basis.
- The applicant will be required to pay the full amount of the statement
- If Payments are not made by the indicated due date, a ten percent (10%) penalty fee will be assessed on the billing charges.
- Accounts that have outstanding balances for longer then 30 days past due date are subject to being turned off, a disconnection fee of \$35, a lien being placed on the property, account information being sent to collections, and any other means management deems necessary in accordance with state law to collect any outstanding charges.
- Paying the past due amounts will not keep the applicant from being disconnected
- Unpaid accounts will be considered delinquent and the deposit applicant provided will be applied towards any outstanding balance. If any deposit is left after the account has been paid it will be refunded to the applicant.
- It is the applicant's responsibility to review the monthly bills and notify the city of any concerns.
- The City of Deming utility department does not make payment arrangements.
- It is the responsibility of the applicant to request services to be discontinued.
- A disconnection form must be filled out by applicant and a valid copy of applicant's ID must be provided to request services to be discontinued.
- The City of Deming utility department does not take verbal requests for services to be discontinued over the phone.
- The applicant is responsible for any services rendered up until either a request for services to be discontinued has been turned in or until another resident applies for services to be turned on.
- The City of Deming is not liable for personal equipment (water heaters, thermal couplers, etc.) malfunctions or damages due to services being unexpectedly shut off.
- The applicant is responsible for gas and water lines from the meter into the property.
- The applicant will be charged for all gas and water that flows through the meters.
- It is the applicant's responsibility to hire a licensed certified plumber to fix any piping problems from the meter into the property.
- If applicant knows of or suspects any gas or water leaks exist, applicant must contact the city immediately to have services shut off.
- Any applicant turning on/off services on their own, without contacting the city, will be responsible for any/all damages to city equipment and/or property.
- The applicant must contact the city if they do not receive their monthly bill.
- Not receiving a bill does not excuse the applicant from paying for their utility services.
- The City of Deming's ordinances are available online at <http://www.cityofdeming.org>

I have read and understand my Consumer Responsibilities and have been provided a copy of my consumer responsibilities.

**9-1-6: LANDFILL REGULATIONS:**

A. Site Designation: The city has or shall hereafter designate a site or sites for the receiving of solid waste, garbage and refuse. Any person who removes any solid waste, garbage or refuse from within the city limits shall only dispose of it in such designated site or sites.

B. Manner And Hours Of Disposal:

1. Any and all solid waste which shall be disposed of in the designated site or sites shall be deposited only in compliance with the New Mexico solid waste management regulations now or hereafter promulgated.
2. All solid waste, garbage and refuse deposited under the provisions of this section shall only be transported, received and deposited in accordance with the regulations of the city.
3. Any and all waste deposited under the terms of this section shall be the sole property of the city, which may use, dispose of, recycle or otherwise treat as it may see fit. It shall be unlawful for any person to scavenge or remove any solid waste, garbage or refuse from the site or sites after the same has been deposited unless permitted by the city.
4. Hours for which said site or sites shall be open shall be designated by the city and the hours for which the same shall be open shall be posted in and upon said site or sites. It shall be unlawful for anyone to enter upon or deposit any waste at any time when the site or sites are not open to the public. (Ord. 830, 2-11-1991)

C. User Fees: The city shall hereafter establish a schedule of fees for deposit of special wastes at the site or sites designated. The term "special wastes" shall include:

1. Hauler Waste Which Increases Cost: Wastes from private or commercial haulers whose quantity or type of waste increases the cost of disposal.
2. Hauler Waste Originating Outside Of Luna County: Wastes from private or commercial haulers whose waste, garbage or refuse originates outside of Luna County.
3. Other Waste: Any other special waste charges as hereafter established by the city. (Ord. 1193, 11-9-2009)
4. Fees Established: Special waste fees shall be in accordance with the payment schedule set out in the tables below:

<b>Special Waste Fees</b>	<b>Minimum Fees Effective June 15, 2013, Reflected On July 31 Billing Cycle</b>
Car <b>tires</b>	<b>\$ 2 .20 per tire</b>

Truck and other equipment <b>tires</b>	11 .31 per tire
Large animals	25 .13 per animal

<b>Transfer Station Fees</b>	<b>Minimum Fees Effective June 15, 2013, Reflected On July 31 Billing Cycle</b>
<b>Residential inside Luna County limits</b>	<b>No charge for covered loads</b>
Residential outside Luna County limits	\$43 .98 per ton
Small commercial less than 1 ton	43 .98 per ton

<b>Butterfield Trails Regional Landfill</b>	<b>Minimum Fees Effective June 15, 2013, Reflected On July 31 Billing Cycle</b>
<b>Residential</b>	<b>None accepted</b>
Commercial	\$31 .42 per ton
Other waste requiring special handling	43 .98 per ton

- a. No fee will be assessed for used **tires** generated by noncommercial activities. (Ord. 1236, 6-4-2013)
5. Negotiation Of Fees: The city of Deming may, for local government entities, negotiate landfill fees and enter into written contracts establishing said fees. (Ord. 1219, 2-13-2012)
6. Adjustment Of Fees: Hereafter, the adjustment of rates and fees to be charged by the city for collection and disposal of solid waste, including landfill charges, shall be pursuant to an appropriate resolution adopted by the city council at a lawfully conducted meeting with prior notice regarding any proposed adjustments. (Ord. 1189, 7-13-2009)
7. Prevention Of Litter: Waste loads entering the landfill or solid waste transfer station shall be secured with an appropriate device such as a tarp or cover which will prevent litter from blowing off in transport. Waste loads shall also be secured or contained sufficiently that the contents do not shift during transport and fall out. If the waste load is unsecured or the cover deemed not effective, the hauler will be charged five dollars (\$5.00) and a receipt given. If the hauler does not pay or contests the charge, a non-

traffic citation with notice to appear in municipal court will be issued by the designated solid waste personnel. (Ord. 1194, 12-14-2009)

D. Permit Required To Deposit Special Waste: It shall be unlawful for any person to deposit any special waste on any site or sites of the city without first having paid the required fee and obtaining a permit for the disposal of such waste, garbage or refuse.

E. Enforcement: Solid waste personnel so designated by the public works director are granted limited code enforcement powers pertaining to this chapter.

F. Penalty: Any person violating the provisions of this section shall be, upon conviction, punished as provided by section 1-4-1 of this code. (Ord. 1189, 7-13-2009)
